Au Pair in America was established in 1964 through "The American Institute for Foreign Study" and is the largest and oldest legal Au Pair program in the U.S. Au Pairs are placed nationwide. They provide applications of suitable candidates, which enable parents to call and select their own Au Pair from every Western European country. Also there is local support from a more than 160 community counselors who service families as well as Au Pairs. | Au Pairs are between the ages of 18-26, they must submit 3 references, documentation of child care experience, a medical report, a criminal background report and a psychological profile. They are also personally interviewed. | The deposit/application fee is \$300.00. Program fee is \$3950.00. Au Pairs are paid on the average of \$120.00 per week. Host families must pay up to \$500.00 towards six semester hours or more of academic credit at a U.S. institution of higher education.

EF AU PAIR One Education St, Cambridge MA 2141
800-671-5969

Non-refundable Application fee of \$250.00 | EF Au Pair is a program providing families with intercultural childcare since 1989. A screened foreign au pair is matched with an American host family through personalized handpicked processes. In exchange for room, board and some educational expenses the family receives a candidate with sincere interest in experiencing American family life for a year. Placement can often take place within 4 weeks. Each Au Pair undergoes extensive screening & selection process; all must carry full medical insurance & require first aid training. All have significant child care experience & are English speaking. Ages 18 to 26 years old, successfully completed their country's secondary education, have 2 references - one from a former child care employer, agreed to follow host family household rules. Possess a valid driver's license. Family Selection Criteria: have a sincere interest in cultural exchange, U.S. citizen's or permanent residents, may offer private bedroom for the au pair, have at least one child in need of up to 45 hour per week of live-in care, willing to include Au Pair, whenever possible, in family meals, outings & vacations. May share in the household chores just as any other member of your family. Ef Au Pair will try to find providers of the language choice requested by parents (many speak French, Spanish and German) Families will have access to all information provided to EF AU PAIR to review and make their Decision. A counselor will conduct host family interview to answer any questions you have about the program. At that time, she will discuss any special needs you might have. There is support for the host family throughout the year; pre-arrival information will contain a profile of your au pair, photographs of her and her family and general information about her culture. Progress meetings with community counselor to

make sure things are going smoothly, your au pair will attend monthly meetings also. You will receive a quarterly newsletter and each will receive handbooks to use as reference resources throughout the year. Au pairs may drive provided you add her to your family auto insurance policy. Single parents are also eligible for au pair services; make take a little longer to match. Families should allow for a \"settling in\" period of about a month before assuming there are irreconcilable differences. If incompatibilities persist - you will be rematches with a different au pair ASAP. Aupair with special needs qualifications are available. Obtaining an aupair in any other fashion is illegal and may result in a fine. EF AuPair has been designated by the US Information Agency to administer a legal au pair program.
