#### **Instructions for children's artwork to be displayed:**

Children's hand artwork should be stapled, or taped, onto string or ribbon **vertically** in lengths of 8, 10, or 12 feet.

**Hands must be hung vertically and strung together before submitting.** Please secure hands firmly and do not send separate hands without connecting them together. All art work will be hung vertically from railing/ceiling toward the floor. Please do not make large signs as the display will not hold the weight. Attaching small pictures or posters together will be fine (maximum sizes: 8 ½" x 11" or 11" x 14").

We'd like to encourage as many Child Care Centers/Homes/Schools, children and parents to participate as possible. Volusia County Schools are on Spring Break that week – please encourage your parents to bring their children for a free, fun event. If you'd like to provide entertainment, have an informational table, etc., please contact Debbie Brown at the above contact information.

**Providers**, to make these events successful, we need **hands, hands, and more hands!** Be creative . . . . make your children's hands the show piece of the exhibit.
